BATMAN™ & THE JOKER™ Sculptures
These exquisite sculptures — specially commissioned by Warner Bros. — have been modeled faithfully after the Batman movie characters. Sculpted by artist Kent Melton (whose clients include major film studios and celebrities), both 3¾" figurines are cast in cultured marble of exceptional quality, then individually hand-painted. Created as a collector's edition of only 50 pairs — each numbered, signed and accompanied by a certificate of authenticity. As Batman collectibles, they're simply unmatched.
A Warner Bros. exclusive.
Available in June.
#5011 Sold as pair.
$495.00 (19.95)

BATMAN™ 50th Anniversary Lithographs
Bob Kane, original creator of the Batman character, has designed these special commemorative lithographs. "BATMAN: THE GOLDEN YEARS™" (right) depicts Batman, Robin, Cat Woman, The Joker and Penguin as they were first illustrated in 1939 (that's even Mr. Kane's original Batmobile). "BATMAN: NOW, THE LEGEND" shows how the main characters evolved into their 1989 movie forms. Limited edition of 2,500 pairs — plus a special edition of 25 hand-signed by Bob Kane — all printed on acid-free art paper, then individually numbered and enclosed in a folder bearing the Batman seal. Both 17 ½" x 23" (includes adequate margins for framing). Shipped flat.
#5007 Unsigned pair. **$133.00** (14.50)
#5100 Signed pair. **$595.00** (14.50)
